

Pricing

INSTANTANEOUS SERVICE, COMPLETE KNOWLEDGE

Let your customers enjoy a fast and continuous service, and add the customer insight dashboard to know everything about your customers quickly and easily.

SET UP

One-Time Fee

A one time payment at the beginning of the project for the costs of all set ups. this ammount is set after a detailed meeting about your needs.

USAGE RATE

Monthly Payment

The monthly payment is purely a pay-as-you-go plan, so you DON'T PAY anything for months with 0 usage.

Pay-as-you-go

You pay per conversation of a typical length. The rate depends on the combination of solutions that you require.

\$0.5 - \$0.9

Good News: the more you spend in a month, the lower the rate becomes for the rest of it.

Tier 1

The first 450 conversations

Tier 2

From the 451st conversation to the 1000th conversation

Tier 3

From the 1001st conversation onward

UPGRADE

Customer Insights

Get an analysis of all the conversations, presented to you in detail, so you don't miss anything.

+50%

on the pay-as-you-go rate

NOTE: this service is different that the chat dashboard, included by default with the solution, where you can monitor the conversations.

MORE DETAILS ABOUT THE PRICING

We design intelligent chatbots and automation systems that capture leads, book appointments, and handle customer inquiries 7/24. Based in Lebanon, built for businesses ready to scale.
